

2022 Graduate School of Integrated Arts and Sciences, Tokushima University

Doctoral Course

Admission Guide for Research Students

1 Summary of the Program

This program is for students who seek to conduct research for specific themes under the guidance of academic advisors. There is no credit offered in this program.

2 Requirements

Doctoral Course: Applicants are required to have doctoral degree or confirmed as having achieved suitable academic standards equivalent.

3 Application Procedure

- ① Applicants living in Japan should bring all documents including the application form to the following place.
- ② Applicants who live overseas and are not able to bring documents may apply through the Internet.
Applicants can download application forms on the website below. And send the application form to the Students Affairs Section of the Faculty of Integrated Arts and Sciences by e-mail and pay the examination fee by a credit card or the China Union Pay. Documents listed in “(3) Application documents” below should be sent to the following address by post by the deadline. After all necessary documents arrive and are considered complete; the application procedure will be completed. Please be sure to understand that the procedure is not completed when the student simply sends an application form through the Internet.

Faculty of Integrated Arts and Sciences, Tokushima University: Information of Entrance Examination
