Speaker

Dr. Hisao Kurazono

Vice Director (Research Support (International)) /
Deputy Director General of the Center / Professor
Center for Research Administration & Collaboration, Tokushima University

Outline

It is not easy for the researcher to acquire Grants-in-Aid for science research expenses in Japan. Especially the foreign researchers without mentors feel much uneasy to prepare the application form to the grants. In this face-to-face meeting, I, a Japanese bacteriologist, share my experiences for 35 years to the participants for the preparation of the application form for Grants-in-Aid for science research expenses.

Registration

Please complete the required items below and email to ura-office@tokushima-u.ac.jp by noon, Tuesday, August 10, 2021

- 1 Name
- 2 Department & Title
- 3 Contact Information (Email / Phone Number)
