

The Niken Memorial Scholarship Award 2023

This scholarship was established with an aim to provide an opportunity for students to advance their education, research and career paths, and to honor Prof. Niken's contributions to education and continue her noble desires. The program believes that the outstanding and deserving scholars will go on to become successful "global dentists" in the future.

The Niken Memorial Scholarship (NiMS) Award will have three categories:

1. **The Niken Memorial Scholarship Award for Health Promotion (NiMS-HP)** will be given to one Indonesian researcher with an award certificate and a sum of JPY40,000.
2. **The Niken Memorial Scholarship Award for Dental Materials, Magnetics, and Devices (NiMS-DM)** will be given to one Indonesian or Japanese researcher with an award certificate and a sum of JPY30,000.

Eligibility Criteria (NiMS-HP & NiMS-DM):
