Name

②Please stick the label on the urine container.

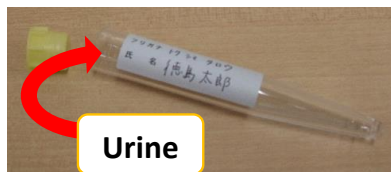

③Please assemble a urine cup.

④Please pee in the urine cup first, then pour some of it in the urine container.

⑥Please bring the urine container to HSCAC during specified Health Checkup time.

Please collect your urine sample on the day of the health checkup in the container provided at the university, and bring it with you. If possible, collect urine from mid-flow, not from the very start or end because of possible contamination.
