

## Important Information about X-ray

**Accessories and long hair obstruct the chest X-ray. Please remove accessories and ensure that hair is clear of the shoulders.**

**Only a plain T-shirt without any other clothing can be worn during the chest X-ray, however, heavyweight, prints, embroidery, or buttons should be avoided.**

**Women are requested to remove bras for the chest X-ray. It is recommended that a non-underwire/rubber tank top is worn.**
