

ワークショップ案内

International Workshop on Advanced Laser Measurement Technology

日時：2017年8月31日（木）14：30～18：00

講演場所：日亜ホール（産学官連携プラザ3F）

主催：徳島大学研究クラスター（選定クラスター）

「工業応用展開を可能とする最先端レーザ応用計測技術/装置の開発」

Program (tentative)

14：30～14：40 Opening (Yoshihiro Deguchi, Tokushima University, Japan)

14：40～15：40 Workshop 1

Prof. Zhe Wang (Tsinghua University, China)

Applications of laser diagnostics in Tsinghua University

Prof. Shunsuke Kashiwakura (Tohoku University, Japan)

Applications of laser diagnostics in Tohoku University

Prof. Shunchun Yao (South China University of Technology, China)

Applications of laser diagnostics in South China University of Technology

Prof. Yoshihiro Deguchi (Tokushima Universiyu, Japan)

Introduction of laser applications in Tokushima University

15：40～15：50 Rest

15：50～16：40 Lab tour

Lab tour

16：40～16：50 Rest

16：50～17：50 Workshop 2

Prof. Sungho Jeong (Gwangju Institute of Science and Technology, Korea)

Applications of laser diagnostics in Gwangju Institute of Science and Technology

Dr. Ikuo Wakaida (Japan Atomic Energy Agency, Japan)

Applications of laser diagnostics in Japan Atomic Energy Agency

Prof. Xiangyou Li (Huazhong University of Science & Technology, China)

Applications of laser diagnostics in Huazhong University of Science & Technology

Prof. Zhenzhen Wang (Xi'an Jiaotong University, China)

Applications of laser diagnostics in Xi'an Jiaotong University

17：50～18：00 Closing (Yoshihiro Deguchi, Tokushima University, Japan)

19：30 Social hour
